

Tıbbi Farmakoloji Anabilim Dalı öğretim üyelerimiz Prof. Dr. Mehmet Emin Büyükokuroğlu ve Yrd. Doç. Dr. Pelin Tanyeri'nin 23-27 Haziran 2013 de Boston, Massachusetts de düzenlenmiş olan "**Drug Information Association 2013 Annual Meeting**" de sunmuş oldukları "**Anxiolytic-like Effect of Beta Receptor Agonist Amibegron May be Related to Interaction of Serotonin Receptor Subtypes**" isimli posterleri en iyi 3. poster seçilmiştir.

We like to take the opportunity to thank the 60+ Professional Poster Presenters that presented their work in this year's Annual Meeting Program.

New this year, Annual Meeting Attendees were asked to select the top 3 Professional Posters from this year's program.

Results are in! Congratulations to those selected!

1st place
